

The University of Arizona  
**Department of Planetary Sciences**

**Undergraduate Minor Program Approval**

Undergraduate students may obtain a minor in Planetary Sciences. The PTYS minor must include PTYS 403, 407, 411, and three other upper-division units in Planetary Science for a total of 13 upper-division units. The remaining 5 units are chosen by the student and minor advisor subject to final approval by the PTYS Curriculum Committee.
