Materials Used:

"H" Hook – but I crochet *a bit loosely*. **Use whatever size hook you need to get the required size (8 inches) square.**

Small amounts of each color worsted weight 4-ply acrylic:

CA – center color

CB – petal color

CC – background color

CD – border color

It is recommended that you count your stitches as you go. A guide is listed at the end of the pattern to help you.

With CA:

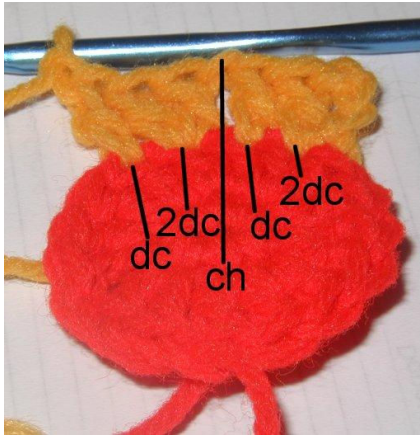

Rnd 1: Ch 2, 8 sc in 2nd chain from hook; join with sl st to first sc (8 sc)

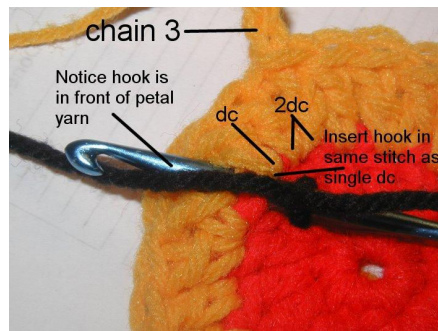

Rnd 2: ch 3 (counts as first dc), dc in same st. 2 dc in next stitch and in each stitch around. Join with a sl st to 3rd chain of first dc. (16 dc). Finish off.

Figure 1

When changing colors, make sure to keep your "old" color, both the loop AND the free end, in FRONT of the color you are working. You will need this free for the next round.

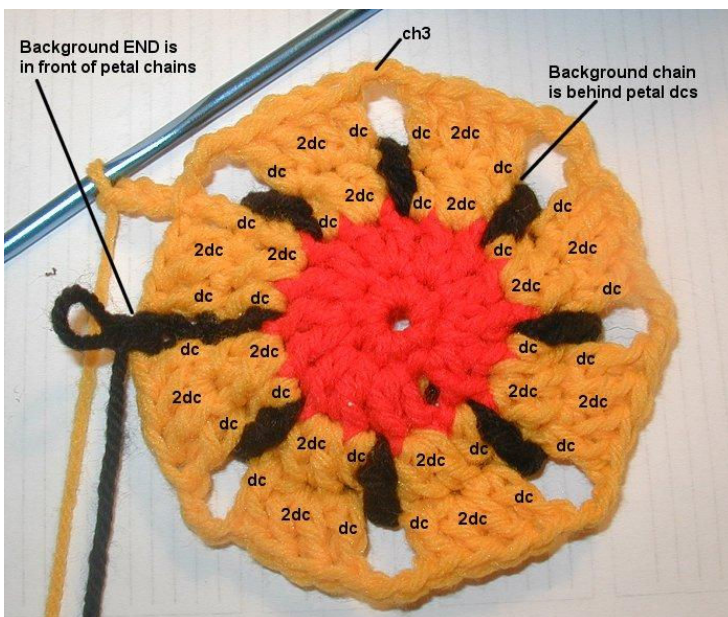

Rnd 3A: Join CB in any dc with a sl st. ch 3, dc in same st. dc in next st, ch 1. (2dc in next st, dc in next st, ch 1) 7 times. Join with sl stitch to 3rd chain of 1st dc. Pull up loop and attach a stitch holder, keeping IN FRONT of your work. You will have created a pattern of 2dc, 1dc, ch 1. In the next step, you will add the CC to make 2 dc in each stitch, giving you a pattern of 3dc of petal, then 1 dc of background. (see figure 1)

Rnd 3B: Join CC with a sl st into the next CA stitch (after your loop of CB) that only has 1 dc of CB from round 3A in it. Ch 7, working in front of CB (see figure 1). (Skip past 3dc of CB and dc into CA stitch from Round 2 that

only has 1 dc in it. ch 4.) 7 times Join with sl st to 3rd ch of first CC dc, being careful to keep the loop AND the free end of CB in front of CC. Pull up a loop of CC and attach a stitch holder.

For rounds 3A and 3B: (32 dc, pattern of 3dc petal, 1 dc background around)

Rnd 4A: Working in FRONT of CC from round 3B, put CB back on hook. (Stitch CB into CB stitches only) Ch 3. 2 dc in next dc, 1 dc in next dc, ch 3, sk next CC dc. (Dc in next CB dc, 2 dc in next dc, 1 dc in next dc, ch 3, sk next CC dc.) 7 times. Join with sl st to 3rd ch of first CB dc, being careful to keep the loop AND the free end of CC in front of CB. Pull up a loop of CB and attach a stitch holder, keeping in front of your

work.

Rnd 4B: Working in front of CB from Round 4A, put CC back on hook. (Stitch CC into CC stitches only) ch 3, dc in same st., ch 5. (Skip all CB stitches, 2 dc in next CC dc. Ch 5.) 7 times. Join with sl st to 3rd ch of first CC dc, being careful to keep the loop AND the free end of CB in front of CC. Pull up a loop of CC and attach a stitch holder, keeping in front of your work.

Rnd 5A: Working in front of CC from round 4A, put CB back on hook. (Stitch CB into CB stitches only) Ch 3. dc in next dc, 2 dc in next dc, dc in next dc, ch 3. Skip all CC stitches. (dc in next dc, dc in next dc, 2 dc in next dc, dc in next dc, ch 3, Skip all CC stitches.) 7 times. Join with sl st to 3rd ch of first CB dc.

Rnd 6A: (With CB still) (5 dc in 2nd dc from hook. **(see picture)** Sk next dc, sl st in next dc **, ch 3, sl st in next CB dc) 8 times. End at ** last time, finish off CB.

Figure 3

Rnd 6B: Using CC, ch 3, [(2dc, ch 1, 2 dc) in next dc – corner made – dc in next 2 sts, hdc in next 2 sts, sc in next 7 sts, hdc in next 2 sts,** dc in next 2 sts] 4 times, ending at ** last time. Dc in next st, join with sl st to 3rd ch of first CC dc.

Rnd 7: Using CC, ch 3, dc in next 2 sts, [(trc, ch1, trc) in next ch1 sp, dc in next 4 sts, hdc in next 3 sts, sc in next 5 sts, hdc in next 3 sts,** dc in next 4 sts] 4 times, ending at ** last time. Dc in next st, join with sl st to 3rd ch of first CC dc.
