Course Description: This course discusses the origins, abundances, distributions, and behaviors of the chemical elements in the Solar System.

Course Prerequisites: CHEM 152, MATH 129, PHYS 132 or their equivalents. PTYS is required for the PTYS minor. PTYS 407 is equivalent to CHEM 407 (not cross-listed).

Schedule: We will meet in-person M and W from 11:00 to 12:15AM in Kuiper Space Sciences, Rm. 312.

Instructor: (Prof.) Tom Zega, tzega@lpl.arizona.edu, 520-626-1356, Kuiper Space Sciences, Room 522. Office Hours by appointment.

Required Textbook: *Cosmochemistry* (H. Y. McSween Jr. and Gary R. Huss), 2010. Cambridge University Press, 549 p. The text is available for purchase at the bookstore or can be accessed in limited form through the university library.

Course Format and Teaching Methods: Lecture only.

Course Objectives: The objective of this course is to provide students with an understanding of the origins and evolution of our solar system from a chemical perspective.

Expected Learning Outcomes: By the end of this course, it is expected that students will have achieved a basic understanding of the chemical origins of our solar system as recorded in the meteoritic record. Learning outcomes will be assessed based on class participation, problem sets, and mid-term and final written examinations.

Schedule
<table>
<thead>
<tr>
<th>Week 1/Chp 1:</th>
<th>Lecture Topics</th>
</tr>
</thead>
<tbody>
<tr>
<td>Week 2/Chp2:</td>
<td>Nuclides and elements: The building blocks of matter</td>
</tr>
<tr>
<td>Week 3/Chp3:</td>
<td>Origin of the elements: Big Bang and Stellar Nucleosynthesis</td>
</tr>
<tr>
<td>Week 4/Chp 4:</td>
<td>Solar system abundances of the elements and isotopes</td>
</tr>
<tr>
<td>Week 5:/Chp5:</td>
<td>Presolar grains: recorders of stellar and interstellar processes</td>
</tr>
<tr>
<td>Week 6:</td>
<td>Chemical Bonding, Crystallography, and Mineralogy</td>
</tr>
<tr>
<td>Week 7/Chp6:</td>
<td>Meteorites: Components and classification</td>
</tr>
<tr>
<td>Week 8/Chp 7:</td>
<td>Chemical Fractionation I. Condensation/Igneous/Volatile/Physical</td>
</tr>
</tbody>
</table>

Mid-term Exam – Monday October 18, 2021

| Week 9/Chp 7: | Chemical Fractionation II. Stable Isotopes, Mass-dependent and – independent fractionation |
| Week 10/Chp 8: | Radiogenic Isotopes – Basic principles; Long-lived nuclides |
| Week 11/Chp 8: | Radiogenic Isotopes – Short-lived nuclides |
| Week 12/Chp 9: | Solar system chronology |
| Week 13/Chp 10: | Volatile components: Organics, Ices, and Noble Gases |
| Week 14/Chp 11-12: | (Thanksgiving) Planetesimals and Comets |
| Week 15/Chp 13: | Geochemistry of Moon and Mars |
| Week 16/Chp 14: | A cosmochemical model of solar system formation |

Final Exam – Monday, December 13th, 2021, 10:30 to 12:30
Absence and Class Participation Policy:
- The UA’s policy concerning Class Attendance, Participation, and Administrative Drops is available at: http://catalog.arizona.edu/policy/class-attendance-participation-and-administrative-drop
- The UA policy regarding absences for any sincerely held religious belief, observance or practice will be accommodated where reasonable, http://policy.arizona.edu/human-resources/religious-accommodation-policy.
- Absences pre-approved by the UA Dean of Students (or Dean Designee) will be honored. See: https://deanofstudents.arizona.edu/absences
- Participating in the course and attending lectures and other course events are vital to the learning process. As such, attendance is required at all lectures and discussion section meetings. Absences may affect a student’s final course grade. If you anticipate being absent, are unexpectedly absent, or are unable to participate in class online activities, please contact me as soon as possible. To request a disability-related accommodation to this attendance policy, please contact the Disability Resource Center at (520) 621-3268 or drc-info@email.arizona.edu. If you are experiencing unexpected barriers to your success in your courses, the Dean of Students Office is a central support resource for all students and may be helpful. The Dean of Students Office is located in the Robert L. Nugent Building, room 100, or call 520-621-7057.

Course Communications
Communication will be conducted via email through d2L.

Performance Metrics:
Mid-term exam: 35%
Final exam: 35%
Problem sets and laboratory practical work: 20%
Class participation: 10%

Grading Scale (%):
A ≥ 90
B 80 to 89
C 70 to 79
D 60 to 69
E < 60

Incomplete (I) or Withdrawal (W):
Requests for incomplete (I) or withdrawal (W) must be made in accordance with University policies, which are available at http://catalog.arizona.edu/policy/grades-and-grading-system#incomplete and http://catalog.arizona.edu/policy/grades-and-grading-system#Withdrawal respectively.
Classroom Behavior Policy
To foster a positive learning environment, students and instructors have a shared responsibility. We want a safe, welcoming, and inclusive environment where all of us feel comfortable with each other and where we can challenge ourselves to succeed. To that end, our focus is on the tasks at hand and not on extraneous activities (e.g., texting, chatting, reading a newspaper, making phone calls, web surfing, etc.). Students are asked to refrain from disruptive conversations with people sitting around them during lecture. Students observed engaging in disruptive activity will be asked to cease this behavior. Those who continue to disrupt the class will be asked to leave lecture or discussion and may be reported to the Dean of Students.

Threatening Behavior Policy
The UA Threatening Behavior by Students Policy prohibits threats of physical harm to any member of the University community, including to oneself. See http://policy.arizona.edu/education-and-student-affairs/threatening-behavior-students.

Accessibility and Accommodations
At the University of Arizona, we strive to make learning experiences as accessible as possible. If you anticipate or experience barriers based on disability or pregnancy, please contact the Disability Resource Center (520-621-3268, https://drc.arizona.edu/) to establish reasonable accommodations.

Code of Academic Integrity
Students are encouraged to share intellectual views and discuss freely the principles and applications of course materials. However, graded work/exercises must be the product of independent effort unless otherwise instructed. Students are expected to adhere to the UA Code of Academic Integrity as described in the UA General Catalog. See: http://deanofstudents.arizona.edu/academic-integrity/students/academic-integrity.

The University Libraries have some excellent tips for avoiding plagiarism, available at http://new.library.arizona.edu/research/citing/plagiarism.

Selling class notes and/or other course materials to other students or to a third party for resale is not permitted without the instructor's express written consent. Violations to this and other course rules are subject to the Code of Academic Integrity and may result in course sanctions. Additionally, students who use D2L or UA e-mail to sell or buy these copyrighted materials are subject to Code of Conduct Violations for misuse of student e-mail addresses. This conduct may also constitute copyright infringement.

Nondiscrimination and Anti-harassment Policy
The University of Arizona is committed to creating and maintaining an environment free of discrimination. In support of this commitment, the University prohibits discrimination, including harassment and retaliation, based on a protected classification, including race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, gender identity, or genetic information. For more information, including how to report a concern, please see http://policy.arizona.edu/human-resources/nondiscrimination-and-anti-harassment-policy.
Our classroom is a place where everyone is encouraged to express well-formed opinions and their reasons for those opinions. We also want to create a tolerant and open environment where such opinions can be expressed without resorting to bullying or discrimination of others.

Additional Resources for Students
UA Academic policies and procedures are available at http://catalog.arizona.edu/policies

Campus Health
http://www.health.arizona.edu/
Campus Health provides quality medical and mental health care services through virtual and in-person care.
Phone: 520-621-9202

Counseling and Psych Services (CAPS)
https://health.arizona.edu/counseling-psych-services
CAPS provides mental health care, including short-term counseling services.
Phone: 520-621-3334

The Dean of Students Office’s Student Assistance Program
http://deanofstudents.arizona.edu/student-assistance/students/student-assistance
Student Assistance helps students manage crises, life traumas, and other barriers that impede success. The staff addresses the needs of students who experience issues related to social adjustment, academic challenges, psychological health, physical health, victimization, and relationship issues, through a variety of interventions, referrals, and follow up services.
Email: DOS-deanofstudents@email.arizona.edu
Phone: 520-621-7057

Survivor Advocacy Program
https://survivoradvocacy.arizona.edu/
The Survivor Advocacy Program provides confidential support and advocacy services to student survivors of sexual and gender-based violence. The Program can also advise students about relevant non-UA resources available within the local community for support.
Email: survivoradvocacy@email.arizona.edu
Phone: 520-621-5767

Campus Pantry
Any student who has difficulty affording groceries or accessing sufficient food to eat every day, or who lacks a safe and stable place to live and believes this may affect their performance in the course, is urged to contact the Dean of Students for support. In addition, the University of Arizona Campus Pantry is open for students to receive supplemental groceries at no cost. Please see their website at: campuspantry.arizona.edu for open times. Furthermore, please notify me if you are comfortable in doing so. This will enable me to provide any resources that I may possess.

Preferred Gender Pronoun
This course affirms people of all gender expressions and gender identities. If you prefer to be called a different name than what is on the class roster, please let me know. Feel free to correct instructors on your preferred gender pronoun. If you have any questions or concerns, please do not hesitate to contact me directly in class or via email (instructor email). If you wish to change your preferred name or pronoun in the UAccess system, please use the following guidelines:
**Preferred name:** University of Arizona students may choose to identify themselves within the University community using a preferred first name that differs from their official/legal name. A student’s preferred name will appear instead of the person’s official/legal first name in select University-related systems and documents, provided that the name is not being used for the purpose of misrepresentation. Students are able to update their preferred names in UAccess.

**Pronouns:** Students may designate pronouns they use to identify themselves. Instructors and staff are encouraged to use pronouns for people that they use for themselves as a sign of respect and inclusion. Students are able to update and edit their pronouns in UAccess. More information on updating your preferred name and pronouns is available on the Office of the Registrar site at https://www.registrar.arizona.edu/.

**Confidentiality of Student Records**

**Subject to Change Statement**
Information contained in the course syllabus, other than the grade and absence policy, may be subject to change with advance notice, as deemed appropriate by the instructor.
