Learn how to create breakout rooms in a Zoom meeting.

Breakout Rooms

For detailed information visit Zoom's Support Page on "[Managing Video Breakout Rooms](#)".

Breakout rooms allow you to split your Zoom meeting in up to 50 separate sessions. The meeting host can choose to split the participants of the meeting into these smaller groups automatically or manually, and can switch between session at any time. Breakout room participants have full audio, video and screen share capabilities.

1. To create breakout rooms, click on the **Breakout Rooms** button in the meeting toolbar.
